## EXPERIENCE

-  **Full Site Digital Marketer** 2023 - runing  
Portal of Pets | Bangladesh
  - I was responsible for the entire project of this website. I started from installing **WordPress on cPanel**, installed theme, did all technical setup with Robots.txt/xml site map etc. optimized all pages, after that I did some content SEO and indexed on **google Search console** after posting. Now doing regular onpage SEO and guest posting. Now the website is under development.
-  **SEO Executive** 2022 - 2023  
Money Management | Sydney, AUS
  - I did complete website SEO for this company last 1 years. I work for Organic traffic Growth and Backlinking.
-  **Full Website SEO** 2022 - 2023  
The Costume Company | AUS
  - I did the entire website SEO for this company. I work for Technical, On-Page SEO, Off-Page SEO and Ads campaign.
